

Instruction installation

To user: Please read the instructions carefully before use

- 1: Do not install on the damp floor.
- 2: Install the light bulbs.
- 3: Put on the glass shade on the lamp body.
- 4: Turn on the lamp.
- 5: Please cut off the power supply during cleaning or maintenance, and use non corrosive cleaning agents for cleaning.
- 6: Please do not modify the lighting fixtures or replace the components on your own to avoid accidents such as falling, electric shock, damage, etc.
